Policy

Appointed personnel are not permitted to tutor University students for pay. With the approval of the department head, graduate and undergraduate assistants may tutor individuals or groups for pay provided that the students who are tutored are not enrolled in regular University sections or classes taught by the tutor, that the tutor has no advance knowledge of any examination to be given to the students being tutored, and that the tutor has no part in determining grades for any student whom he or she has tutored. University facilities used by persons tutoring for pay are subject to a nominal rental charge. The University does not furnish facilities for tutoring by persons who are not members of its faculty or staff.
