Case Study: A Challenge to the Principle of Resilience in a Coastal Ecosystem

In...
awards, and the receipt of any benefit that may be affected by a leave of absence, service is considered uninterrupted by this leave of absence. The employee must not be penalized for requesting or obtaining leave for this purpose.

**Compliance and Responsibilities**

The employee should provide as much notice as possible when requesting bone marrow/organ donation leave of absence and must provide written medical certification issued by the employee’s healthcare provider stating that the employee is to serve as a donor and specifying the kind of donation to be made.
